

# 30-31 OCTOBER 2024 “CRAFTING QUALITATIVE RESEARCH IN MANAGEMENT & ACCOUNTING”

## SIDREA INTERNATIONAL WORKSHOP

**WHAT?** Two full days with interesting discussions on qualitative research methods, mutual feedback, exchange, and the best pasta & pizza.

**HOW?** Possibility to present in one of the following research formats:

1. **Full paper** (max 10.000 words) in an “almost ready” stage, on which you would like to get some feedback before submitting it to a journal. You get a discussant, who provides detailed feedback, and receive comments from the audience.
2. **Research pitches** (max 2.000 words) organized as a presentation of a research idea that you have for a future study. Together with the audience, you brainstorm possible ideas for methods, literature etc.

This workshop is a collaboration between international ranked journals: *Journal of Public Budgeting, Accounting & Financial Management* and *Qualitative Research in Accounting & Management*.
