# Accounting & Finance Research Conference

**1st LUM Conference on Accounting & Finance Research**  
Bari, Italy June 9-10 2025

## Driving the SDGs: A Decade of Action for a Sustainable Future

The LUM University is delighted to welcome you to the **1st LUM Conference on Accounting & Finance Research**.

This call for papers seeks contributions that delve into the **evolving landscape of accounting and finance** in the context of the SDGs. As the global community increasingly focuses on **sustainable development, accounting and finance roles are becoming crucial in driving progress**.

We invite papers that offer insights into the current challenges and opportunities companies face in these fields. Contributions should enhance the **knowledge regarding the role of accounting and finance in supporting sustainable practices and contributing to achieving the SDGs**. Academics and practitioners are encouraged to submit their research to foster a comprehensive discussion on integrating sustainability into financial and accounting practices.

### Areas of interest

The Scientific Committee invites **extensive participation from both academics and practitioners**. Their valuable contributions can **spark discussions, comparisons, and evaluations of the current research landscape in accounting and finance for sustainable development**. The topics of interest include, but are not limited to:

- Integrating SDGs into corporate reporting;
- Sustainable investment and green finance;
- Accounting for corporate sustainability;
- Managing environmental and social risks;
- Corporate governance for sustainable development;
- Public policies for sustainable development;
- Emerging technologies in accounting and finance for SDGs;
- Ethical considerations in sustainable accounting and finance;
- Partnerships and collaborations for sustainable development;
- Financial Inclusion and access to capital for underserved communities.
